**REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

To the Board of Directors and Shareholders  
of U.S. Investors, Inc.

**Opinion on the Financial Statements**

We have audited the accompanying statement of financial condition of U.S. Investors, Inc., as of December 31, 2018, and the related statements of income, changes in member's equity, and cash flows for the year ended December 31, 2018 and the related notes (collectively referred to as the "financial statements"). In our opinion, the financial statements present fairly, in all material respects, the financial position of U.S. Investors, Inc. as of December 31, 2018, and the results of its operations and its cash flows for the year ended December 31, 2018 in conformity with accounting principles generally accepted in the United States of America.

**Basis for Opinion**

These financial statements are the responsibility of U.S. Investors, Inc.'s management. Our responsibility is to express an opinion on U.S. Investors, Inc.'s financial statements based on our audit. We are a public accounting firm registered with the Public Company Accounting Oversight Board (United States) ("PCAOB") and are required to be independent with respect to U.S. Investors, Inc. in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our audit in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement, whether due to error or fraud. Our audit included performing procedures to assess the risks of material misstatement of the financial statements, whether due to error or fraud, and performing procedures that respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements. Our audit also included evaluating the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the financial statements. We believe that our audit provides a reasonable basis for our opinion.

**Supplemental Information**

The computation of net capital and aggregate indebtedness under rule 15c3-1 has been subjected to audit procedures performed in conjunction with the audit of U.S. Investors, Inc.'s financial statements. The supplemental information is the responsibility of U.S. Investors, Inc.'s management. Our audit procedures included determining whether the supplemental information reconciles to the financial statements or the underlying accounting and other records, as applicable, and performing procedures to test the completeness and accuracy of the information presented in the supplemental information. In forming our opinion on the supplemental information, we evaluated whether the supplemental information, including its form and content, is presented in conformity with 17 C.F.R. §240.17a-5. In our opinion, the computation of net capital and aggregate indebtedness under rule 15c3-1 is fairly stated, in all material respects, in relation to the financial statements as a whole.

We have served as U.S. Investors, Inc.'s auditor since 2015.

**REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

To the Board of Directors  
of U.S. Investors, Inc.

We have reviewed management's statements, included in the accompanying Exemption Report Rule 17a-5(d)(4), in which (1) U.S. Investors, Inc. identified the following provisions of 17 C.F.R. §15c3-3(k) under which U.S. Investors, Inc. claimed an exemption from 17 C.F.R. §240.15c3-3: (1) (the "exemption provisions") and (2) U.S. Investors, Inc. stated that U.S. Investors, Inc. met the identified exemption provisions throughout the most recent fiscal year without exception. U.S. Investors, Inc.'s management is responsible for compliance with the exemption provisions and its statements.

Our review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about U.S. Investors, Inc.'s compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, we do not express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in paragraph (k)(1) of Rule 15c3-3 under the Securities Exchange Act of 1934.
